## Non-GMO Statement

This declaration is required for all ingredients listed in the manufacturing of our product and must be completed by the manufacturer of each ingredient.

I hereby declare that: **Sodium Copper Chlorophyllin** is not derived from or produced using GMOs (as defined in Article 2(2) of Directive 90 / 220 / EEC) or their derivatives either directly or indirectly (for example, genetically modified substrates, Genetically modified organisms etc.), and that all reasonable steps have been taken to avoid contamination from GMOs or their derivatives, and this has been verified as follows:

No GM varieties of this ingredient available

Analytical testing confirming absence

Consumer safety and customer satisfaction is our primary concern. We thank you for your continued interest in our products! If you would like additional information, please feel free to contact our Quality Department at the address listed below.

For further information, please feel free to contact us at 86-029-89611711.

Certified,

Quality Control Department
